

Tier 2 General Entry Clearance, Extension or Indefinite Leave to Remain

Price list

Service	Price
Total Fixed Amount	£1,500 - £2,000 (Excluding VAT, if applicable)

1. Advise you of the relevant rules and procedure to follow.
2. Tell you which specified documents are required for your application.
3. Review all the documents to ensure that they meet the strict immigration rules requirements.
4. Complete your application forms.
5. Prepare your legal representations, as to how you meet the immigration rule.
6. Prepare your application pack, which includes the legal representations, relevant application form and supporting specified documents.
7. Submitting the application pack to the relevant department.
8. Advise you on the outcome of the application and future steps, if applicable

Disbursements are costs related to your matter that are payable to third parties, such as visa fees.

You will pay this to the Home Office directly as part of the application process.

You will be informed at the date of instruction the exact Government fees payable.

You can check the current visa fee application here: <https://visa-fees.homeoffice.gov.uk/y> and <https://www.gov.uk/government/publications/visa-regulations-revised-table>

Tier 2 General Entry Clearance, Extension or Indefinite Leave to Remain

The final price depends on your particular circumstances, such as:

1. Any complex immigration history.
2. Taking of witness statements.
3. The amount of documents that we need to consider.
4. Whether you are applying with dependants.
5. The urgency of the application to be submitted.

Key Stages and Timescales

Key Stage	Typical time line (weeks)
We will normally be able to submit this type of application within 2 weeks of you instructing us and providing all the documents required, but we will let you know at the earliest opportunity if it is likely to take longer than this.	You can check the current visa processing time here: https://visa-processingtimes.homeoffice.gov.uk/y

Tier 2 General Entry Clearance, Extension or Indefinite Leave to Remain
